

src/common/ValidateIp.hpp

```
graph TD; A[src/common/ValidateIp.hpp] --> B[arpa/inet.h]; A --> C[string];
```

The diagram illustrates the dependencies of the file `src/common/ValidateIp.hpp`. It is represented as a box at the top with two arrows pointing downwards to two other boxes: `arpa/inet.h` on the left and `string` on the right.

arpa/inet.h
